

# **INCLEMENT WEATHER/EMERGENCY CLOSING INFORMATION**

Inclement weather or other emergencies often require the school day schedule to be altered. Decisions regarding school closings or delays because of weather conditions will be made as soon as possible in the morning on the day in question. The Adrian ISD *Txtwire* system will be activated to inform you of the closings or delays and the following media outlets will also be alerted:

**KGNC 710 AM**  
**KAMR CH. 4**

**KPAN 860 AM/106.3**  
**KVII CH. 7**

**KFDA CH. 10**

If school is delayed one hour, school buses will run an hour late. If school is delayed two hours, buses will run two hours late.

In extreme cases of severe weather, school could be canceled completely and made up at a later date (the scheduled 2011-2012 bad weather make-up days are April 9 and May 14).

Also, be advised that in case of inclement weather during the school day, students may be dismissed and buses run before the end of school. Once again, the *Txtwire* system will be activated and media outlets contacted.
