

1.

A green signal will indicate when you may turn left.

2.

Vehicles driving in the right lane must turn right at the next intersection unless the sign indicates a different turning point.

3.

This sign marks a place where you may cross over to the other side of the divided highway.

4.

Instructs drivers that all traffic on the same roadway must merge into one lane.

5.

Reminds drivers that the shoulder of the road should be used only by vehicles required to stop because of mechanical breakdown, tire trouble, lack of fuel or other emergencies.

6.

The road ahead is not open to any traffic. Look for detour or other route.
