

1.

Warns of a traffic control signal ahead.

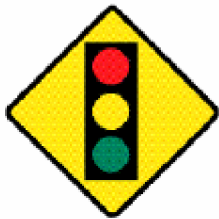

2.

You should drive in the right-hand lane and expect oncoming traffic in the left-hand lane.

Slow down on wet road. Do not suddenly turn, speed up, or stop.

3.

4.

Height of underpass from road surface is shown. Do not try to enter if your load is higher than the figure shown on the sign.

5.

Advises that you are approaching a section of highway where the opposing flows of traffic are separated by a median island.

6.

The divided highway on which you are traveling ends ahead. Be careful as you approach the point where two-way traffic begins again.
