

3

1.

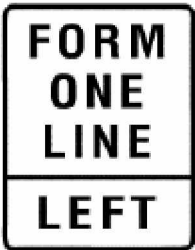

A green signal will indicate when you may turn left.

2

2.

Vehicles driving in the right lane must turn right at the next intersection unless the sign indicates a different turning point.

4

3.

This sign marks a place where you may cross over to the other side of the divided highway.

6

4.

Instructs drivers that all traffic on the same roadway must merge into one lane.

1

5.

Reminds drivers that the shoulder of the road should be used only by vehicles required to stop because of mechanical breakdown, tire trouble, lack of fuel or other emergencies.

5

6.

The road ahead is not open to any traffic. Look for detour or other route.
