

2

1.

Trucks are prohibited from using or entering the street or roadway where this sign is displayed.

3

2.

The road or street ahead is for one-way traffic traveling in the opposite direction. You must not drive into it in the direction you are going.

1

3.

Drive to the right of this sign. This sign is used in advance of islands and medians.

4

4.

On highways with more than one lane with vehicles traveling in the same direction and this sign is present, slower traffic should travel in a lane other than the farthest left lane. The farthest left lane is for "passing vehicles only".

6

5.

Oncoming traffic must stop for vehicles turning at an intersection. Vehicles turning at a protected light should use caution.

5

6.

The center lane of a highway is reserved for the exclusive use of vehicles turning left in either direction and not used for passing or overtaking. The only time a vehicle should enter the center lane is at a point where the vehicle will have time to slow down or stop in order to make a safe left turn maneuver. The center lane should never be used for passing or as a through traffic lane.
