

6

1.

Proceed carefully in the direction of the arrow after yielding the right-of-way to other vehicles and pedestrians.

5

2.

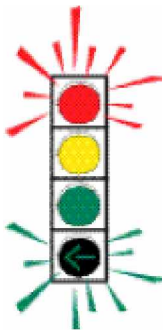

You may turn left on a light that is green. However, you must yield the right-of-way if other traffic is approaching from the opposite direction.

4

3.

added to a stop sign advises that all approaching traffic to this intersection must stop.

1

4.

Stop before the crosswalk or intersection. Do not block the pedestrian crosswalk. A stop sign means that you must bring your car to a complete stop. Slowing down is not enough. If you stop behind other stopped vehicles, you must make another stop at a clearly marked line or before entering the intersection if a stop line is not present.

3

5.

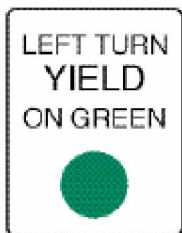

Stop completely before entering the crosswalk or intersection, then proceed when you can do so safely. Vehicles on the intersecting roadway may not have to stop.
&
Slow down and proceed with caution.

7

6.

This sign tells you that the road you are on joins with another road ahead. You should slow down or stop if necessary so that you can yield the right-of-way to vehicles on the other road.

2

7.

The speed shown is in effect when the yellow light is flashing. Be extremely careful for school children.
