SUBMIT PHOTOGRAPHS

The yearbook staff would like to have photographs of Adrian alumni for the Centennial yearbook. These photos will be used to enhance the current school events featured for the 2008-2009 school year. If you would like to submit a photograph, you may either mail it to the school address below, or scan the photo and submit by email.

Please note: only include pictures of Adrian alumni while they were students at Adrian ISD. Photographs of special events like athletic or academic achievements, funny moments, state competitions, FFA, FHA, etc. will be welcomed. Additionally, photos of historical events, community structures, and past school personnel may be submitted. The staff will use as many of the submitted photographs as each page layout allows. Please label the back of each mailed photograph with the student's name and a description of the event, in *pencil only*. Mailed photos *will not* be returned. Send to:

Becky Johnson
Adrian ISD
PO Box 189
Adrian, TX 79001

Please scan photographs at 300 dpi resolution. Save all files in EPS format with JPEG (High Quality) compression. Identify student, describe event, and email to both addresses below:
